

BARTLETT CITY SCHOOLS BAND SMARTMUSIC CHALLENGE

THE CHALLENGE

Students can optionally complete SmartMusic Playing Opportunities to accumulate points. Every week, we will post a **“Top 10”** list of students (each school will have its own list) who have accumulated the most points to recognize students who are continuing to practice daily!

****Please note: While SmartMusic dubs each playing opportunity as an “assignment”, they are optional and will not count towards a student’s grade in the band class. In the same way, SmartMusic WILL assess the accuracy of a student’s performance. However, the percentages/points will NOT count towards a student’s grade in the band class, but will be totalled at the end of each week for a student’s rank in the Challenge.****

SmartMusic Opportunities are optional and will not count towards a student’s grade. They will include:

- Daily Warm-ups
- Literature excerpts
- Fundamental Exercises
- Instrument Specific Solos
- Sight Reading Examples

SIGNING UP FOR SMART MUSIC

1. Open a Chrome browser (it must be **GOOGLE CHROME** - students can download Chrome via BCS App Store on their school laptop) and visit:

<https://admin.smartmusic.com/join>

2. When prompted for a class code, please enter the code **FOR YOU CLASS ONLY:**
