

Succession - Station 4

Scan the QR code below and watch the forest. Then answer the questions #1-3.

1. This video is an example of which type of succession? Explain how you know.
2. What pioneer species do you observe in this video?
3. What is reached at the end of the video?

Scan the QR code to the right and read the article in order to help you answer question #4.

4. Based on the article, are forest fires always bad? Explain your answer.

If the QR doesn't work or you need the direct link
