

Use food to make an edible sculpture. Wash your hands before starting, photograph it before eating, and don't be wasteful.

Go for a walk and photograph the plants that you see. Create a drawn or painted "plant study" of the most interesting ones.

Choose 1-5 of the art challenge prompts to get your creativity flowing! Be sure to share what you create with your art teacher.

Photograph a toy(s) interacting with the environment

Follow a drawing or painting tutorial (like Bob Ross or Drawing with Waffles) and follow along.

Look up Exquisite Corpse drawings. Create one with your family.
