

## How to sign in and complete a Gizmo simulation

Step 1: Go to <https://www.explorelearning.com>

Step 2: Click on the "Login/Enroll" button in the upper right hand corner of the web page.

Step 3: Type in your teacher's class code: you will get this from your teacher.  
Click "Enroll in Class"

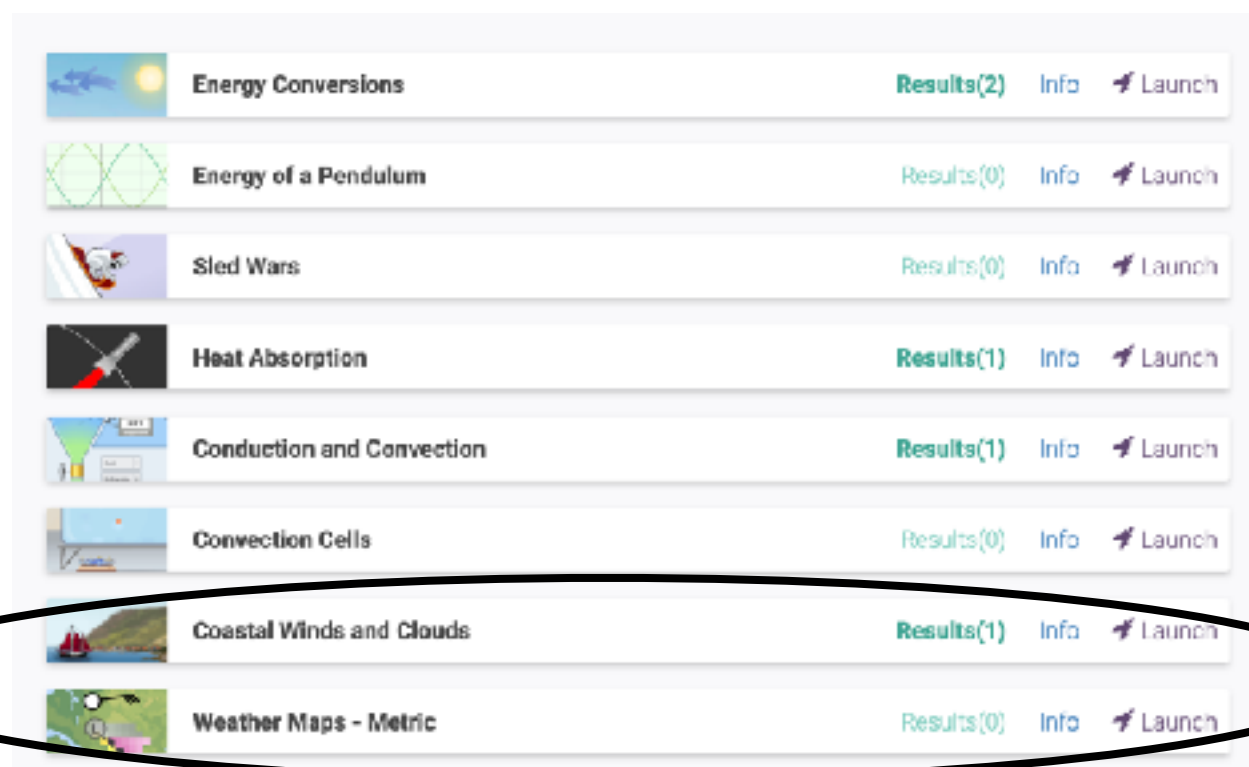

Step 4: Click "I need to create an Explore.Learning account" and follow the directions on the site to complete your enrollment.

Step 5: Write down your username and password and put this sheet in your class notebook.  
username: \_\_\_\_\_ password: \_\_\_\_\_

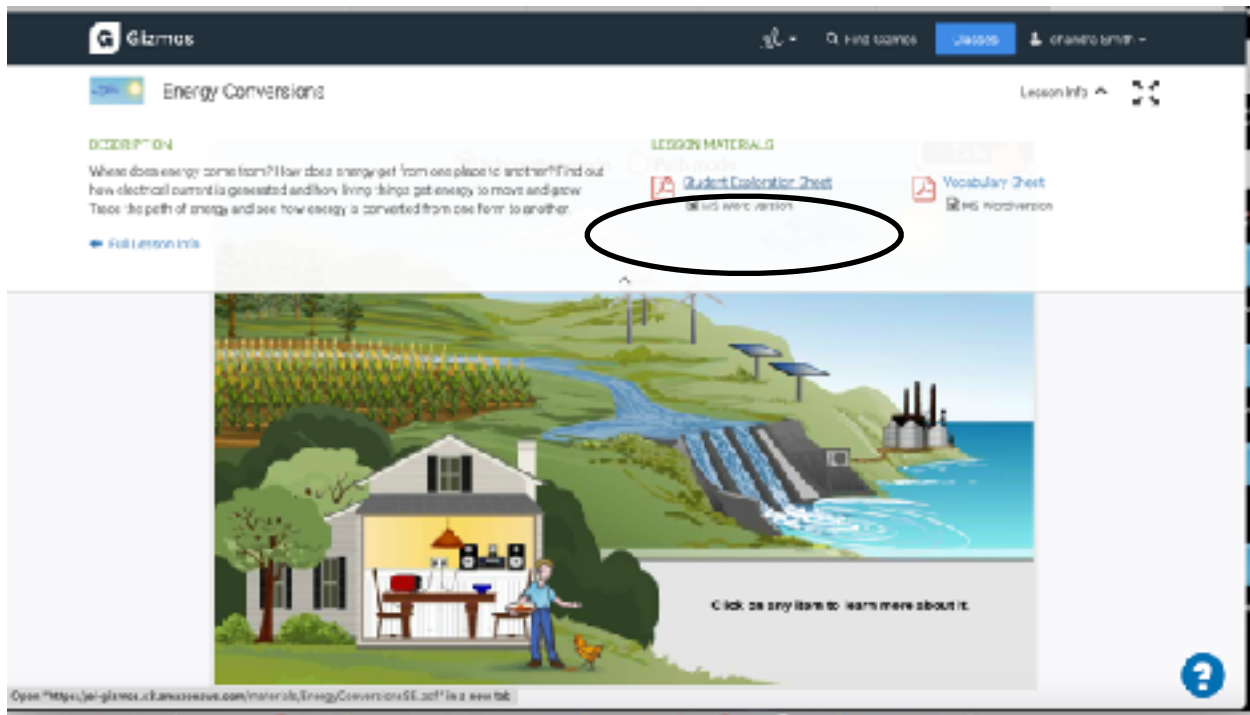

Now you are ready to complete a gizmo! You will see several choices on your account.

**FOR THIS WEEK CHOOSE ONE OF THE LAST 2: COASTAL WINDS AND CLOUDS or WEATHER MAPS-METRIC**

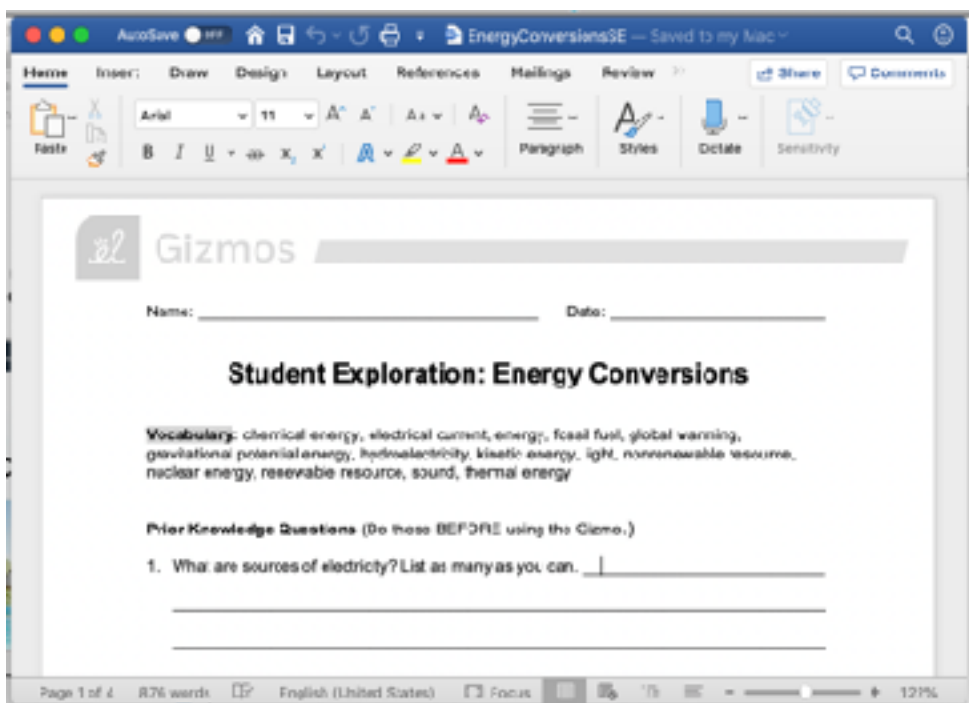

**Step 1: Click launch on the one you want to do.**

**Step 2: Click “Lesson Info” and you will see this box pop up, click the MS word version of the Student Exploration Sheet and it will download.**

**Step 3. Go to your downloads and open the sheet**

**Step 4: Follow the directions on this sheet to complete the simulation, and answer the questions.**

**Step 5: Once you complete the sheet, you must complete the QUIZ below the simulation.**

Click on any item to learn more about it.
