

CHAPTER 5**Health, Safety, and
Emergency Response****Lab 5.1 Gather Medical and
Allergy Information****English Language Arts Project**

Directions Assume you are a caregiver for the children listed below. Each child has a medical condition or allergy for which you need background information. Using print or Internet resources, gather the necessary information you need to know about handling each condition. Document the source of your resource information for each medical or allergy problem on a separate sheet of paper and attach it to this activity.
