

Curriculum and Activity Planning Foundations

Part One:

Research each of the following curriculum approaches. Give a description of each approach, be sure to include a recommended age range for each one. After researching, select one as your favorite and one as your least favorite. Write a paragraph on why you like or dislike each approach.

1. Bank Street developmental-interaction approach

2. Dodge creative curriculum for preschool

3. High/Scope curriculum

4. Kamii-DeVries constructivist approach

5. Montessori method

6. Direct instruction mode

Part 2:

Write a paragraph (3-5 sentences) on your favorite approach and why you prefer this approach.

Write a paragraph (3-5 sentences) on your least favorite approach and why you dislike this approach.
